Profile Summary

A high-achieving student with a proven track record of academic excellence, including A symbols in matric, top positions in exams like Amesa and Conquesta, and the prestigious Dux award at Union Park Primary School. National recognition in competitions such as the American-based Math League underscores my proficiency in mathematics.

Fluent in Afrikaans, IsiZulu, and Hindi, I possess strong communication skills that facilitate effective collaboration across diverse audiences.

Membership in the Golden Key International Honour Society reflects my commitment to academic excellence and continuous learning.

Proficient in programming languages like Python and JavaScript, I also demonstrate a commitment to community service through volunteering at organizations including children's and old age homes, SPCA, and SANBS.

Selected for the Global Young Leaders Conference, I exhibit qualities of reliability, passion, and ambition, despite unforeseen challenges posed by the COVID pandemic. Currently serving as an Executive SRC member at Richfield Graduate Institute of Technology, I contribute actively to student relations and collaborate effectively within a team to protect institutional interests.

Maintaining a balanced lifestyle, I engage in karate as a Sensei at Shihan Elvis's Knockdown Karate Dojo and participate in various sports activities.

While initially considering careers in the SANDF and SAPS, I've redirected my focus towards opportunities where I can leverage my diverse skill set and continue professional growth.

Driven by a relentless pursuit of excellence, I excel in collaborative settings and adapt seamlessly to dynamic environments. My multifaceted profile, encompassing academic achievements, leadership experience, community engagement, and a commitment to continuous learning, positions me as an exceptional candidate poised to excel in any role.
